TO : Honorable Mayor & City Council  
 FROM : Melvin K. Davis, City Manager  
 SUBJECT : Comments on Council Agenda Items for Jan. 19, 1988

1. Introduction by Citizens:
2. Laguna Committee:

I believe the Committee wishes to make a brief formal presentation of their Study to the City Council. In turn, it's anticipated you'll refer it to Planning Comm. for a formal review. Planning Comm. and/or City Council should hold public hearings on it.

3. Hazardous Materials Comm: the City Council.

County Hazardous Material Management Comm. wishes to review their work with

4. Clarmark Lease:

See enclosure. More City Council direction is needed. I anticipate input from Chamber of Commerce representatives.

5. Audit:

City Auditor, Mrs. Mary Walsh, will be present for a review. Audit(s) were sent earlier to the City Council.

6. Ambulance(s):

See enclosure. A 2nd ambulance operator (Medstar) has requested an agreement to operate within the City. Redwood Empire already has such a City agreement. Redwood Empire will be asking for a continuance on any ward to Medstar. I have no objection to a continuance.

7. RV Disposal Station:

See enclosure. For City Council decision.

8. "Low Flush":

See enclosure. For City Council review & direction to City staff. How far do you wish staff to go, in preparing an ordinance(s)? Do you want all 3? 2?

9. C.I.P.:

For referral to Planning Commission. City Council still retains right to change it, once it's returned.

10. Parade:

Recommend approval, subject to standard city requirements on liability insurance.

11. Surplus:

Recommend City Council declare item, surplus, & authorize its sale.

12. Oak Grove Heights:  
Robinson Road.)

For City Council acceptance of improvements (Stefenoni Ct. off
